Gentherm Named A Winner of The Michigan Top Workplaces 2021 Award by The Detroit Free Press

Nov 15, 2021

NORTHVILLE, Mich., Nov. 15, 2021 (GLOBE NEWSWIRE) -- Gentherm (NASDAQ: THRM), a global market leader and developer of innovative thermal management technologies, today announced that the Company has been awarded a Top Workplaces 2021 honor by The Detroit Free Press for its Michigan locations.

The list of Top Workplace winners was determined through employee feedback gathered by a third-party survey administered by employee engagement technology partner Energage, LLC. The anonymous survey measured 15 culture drivers that are important to organizational success such as alignment, execution and connection.

“We are excited and honored to be named a Top Workplace in Michigan by The Detroit Free Press,” said Phil Eyler, President and CEO of Gentherm. “This award is a testament to our One Gentherm culture, which is rooted in our Winning Culture Behaviors of Customer Focus, Employee Engagement and Inclusion, Global Mindset, and Performance and Accountability. I want to thank our amazing team members for their hard work to deliver our mission of creating and delivering extraordinary thermal solutions that make meaningful differences in everyday life, by improving health, wellness, comfort and energy efficiency.”
